Cup Holder Mount Installation

Step 1. Connect the post **(A)** to the cup holder base **(B)** by aligning the groove on the base to the ridge inside the bottom of the post.

Step 2. Place the universal cup holder mount into the designated cup holder in the vehicle. Adjust the thumbwheel adjuster **(C)** to expand or close the cup holder prongs to fit in the cup holder.

Step 3. For oversize cup holder openings or the adjustable "pop out" cup holders use the optional self-adhesive side support pads **(G)**. Install the pads by removing the adhesive backing and placing it on the flat surface side of the cup holder support leg.
